B1-B4 Parking Lot Renovations

Beginning in November, the B1-B4 parking lots surrounding Millican Hall and the Duke Energy Welcome Center will undergo extensive renovations.

This project is designed to improve the condition of the parking lots, reduce vehicle traffic near the center of campus, and improve campus aesthetics with new landscaping and walkways.

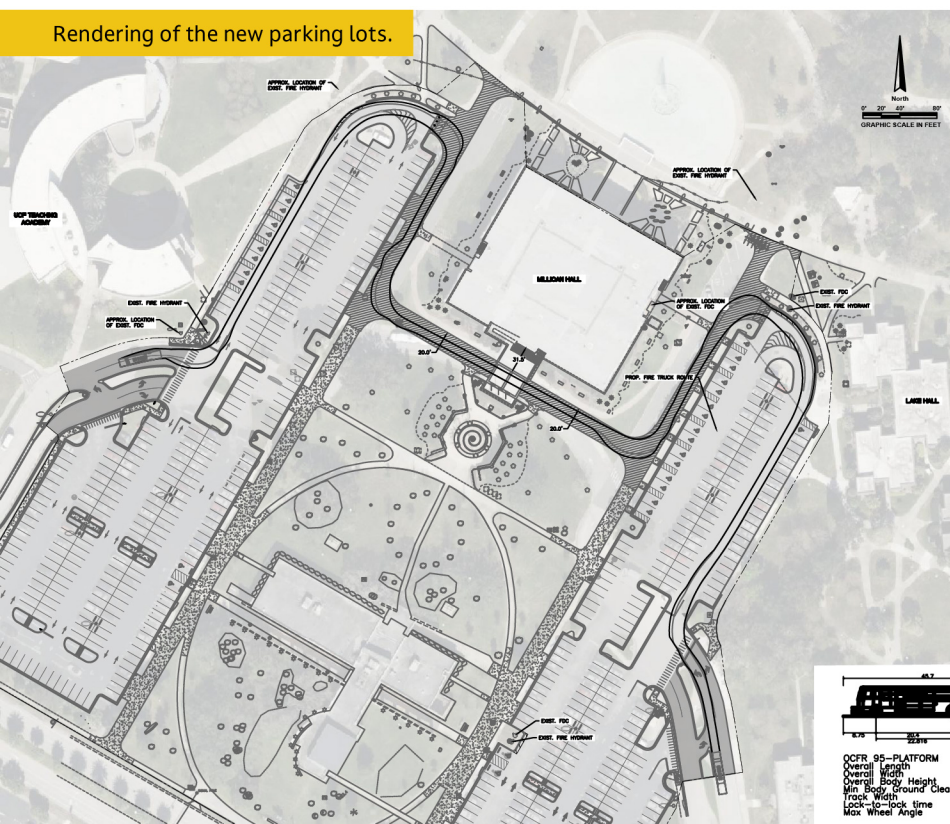

Timeline

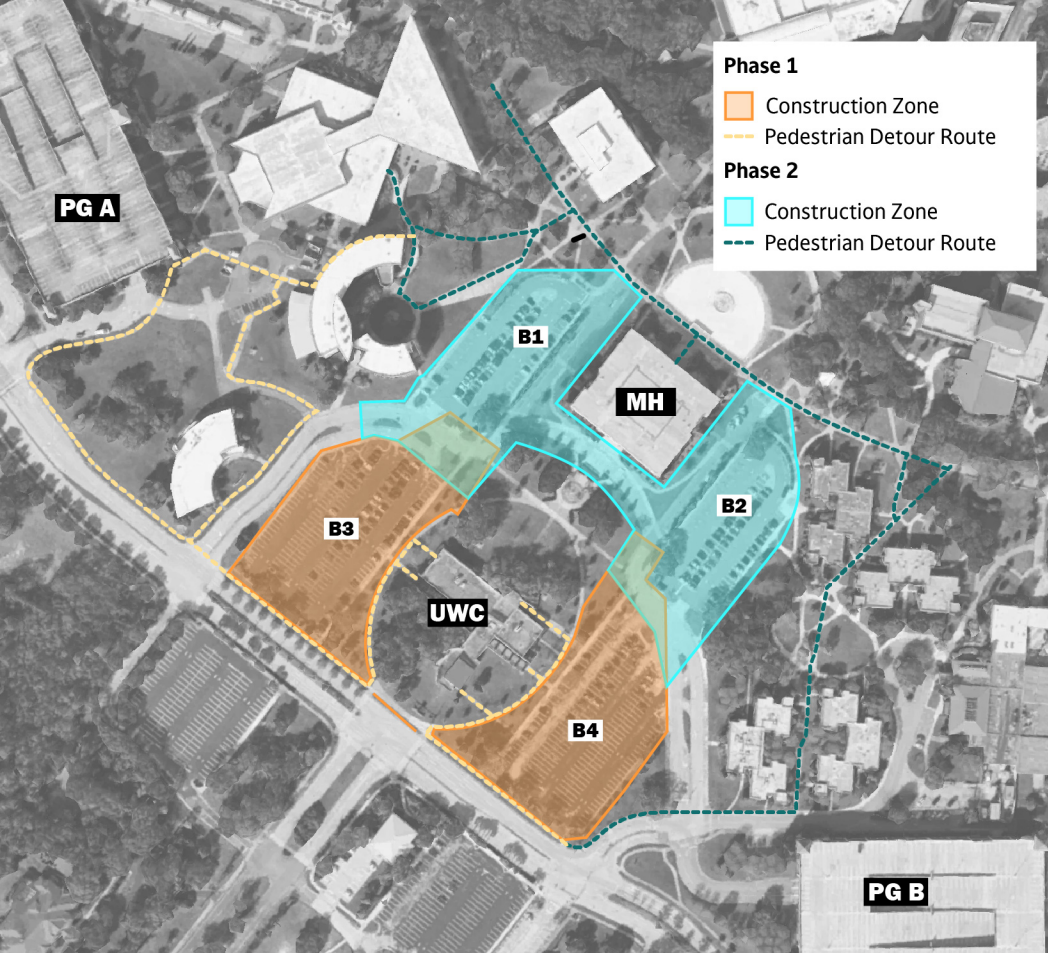

Construction begins at the beginning of November and is expected to be complete in mid-January. The project will be split into two phases to allow for some parking availability near Millican Hall and Duke Welcome Center during construction.

About the Project

- Combining lots B1 and B3 and lots B2 and B4 on either side of Millican Hall and the Duke Energy Welcome Center.
- Repaving the parking lots
- Replacing the shuttle bus loop at Millican Hall with a walkway
- Replacing the roads on either side of Millican Hall with walkways
- Landscape enhancements to the green space between Millican Hall and the Duke Energy Welcome Center

Rendering of the new parking lots.

Please adhere to construction fencing and follow the pedestrian walkways to navigate around work zones.

The Impact

Construction will be completed in two phases.

Phase 1

Lots B3 and B4 will be closed

Access the Welcome Center at the break in fencing along Gemini Blvd.

Lots B1 and B2 will remain open for parking.

Phase 2

Lots B1 and B2 will be closed, in addition to the bus loop behind Millican Hall.

Access Millican Hall from the Reflection Pond entrance.

Lots B3 and B4 will reopen for parking as temporary employee only parking until construction is complete.

Visitor parking in B3 and B4 will be relocated to lots B5, B6, and Garage B for entirety of the project.
Please see map for reference.

Golf Cart Shuttle

A golf cart shuttle will be available to take employees from Duke Energy Welcome Center and Millican Hall to the nearby B-Lots during construction.

Monday through Friday

7:30 - 9:30 a.m.

4:30 - 6:30 p.m.

Signage will be placed at the designated pick-up and drop-off zones in front of the Duke Energy Welcome Center, Millican Hall, and the nearby B-Lots.

Shuttle Route Changes

As a reminder, the following shuttle routes have been relocated as the Millican Hall bus loop was discontinued from service in August 2025.

Scan the QR code to view the updated shuttle map

Alternative Parking Locations

Surface Lots:

Lot B5: in front of the Burnett House

Lot B6: in front of Visitor and Parking Information Center

Lot B7: in front of Barbara Ying Center

Garages:

Garage A

Garage I

EV Charging Stations:

Please use the charging stations in front of the Visitor and Parking Information building and in lot D1 during construction.

Nearest ADA spaces:

Garages A and B

During B3 and B4 construction, the ADA spaces in B1 and B2 will remain open.

During B1 and B2 construction, pedestal ADA signs will be added to B3 and B4.
